

Mayor's Redevelopment Agency Budget Message Workshop

Mayor Chuck Reed

6:00 P.M.

Monday, Nov. 16, 2009

City Hall Wing –
Committee Rooms

Mayor Chuck Reed is hosting a workshop to discuss the Mayor's Redevelopment Agency Budget Message. The State of California has raided Redevelopment funds from cities across the state to balance its budget -- \$75 million from San Jose alone.

Under San Jose's budget process, the Redevelopment Agency staff releases a **draft budget**. The Mayor's Budget Message is the opportunity for the City Council to make changes to the Redevelopment Agency Budget.

Because of the serious challenges San Jose faces this year, Mayor Reed is holding this Redevelopment Agency Budget Message Workshop to hear from residents, businesses, nonprofits, and other stakeholders about ways to address this crisis. This is your opportunity to share your ideas and feedback with Mayor Reed as he is working on his budget message.

The Mayor's Budget Message will be released on November 20th.

Note: There may be a majority of RDA/Council (or their representatives) present, but no action will be taken by the Agency/Council.
