**SUBJECT: UPDATE TO THE COMMUNITY AND ECONOMIC DEVELOPMENT
COMMITTEE WORKPLAN FOR AUGUST - DECEMBER 2017**

RECOMMENDATION

Approve an amendment to the August – December 2017 Workplan for the Community and Economic Development Committee (CEDC) to drop “Rebuilding for Heroes Program Update” from the October 23, 2017 agenda.

BACKGROUND

On June 28, 2016, City Council approved a plan to establish a housing rehabilitation program incentivizing landlords and rental property owners to participate in housing homeless veterans. The Department launched the program on November 10, 2016, and several projects have been identified since that time. Staff is currently working to advance the projects and expects progress within the next several months.

If the recommended action is approved, staff will provide a full update to Council through an information memorandum by the end of the fiscal year.
